CALL FOR STUDENT ENTRIES: THE J.U.C. MEDIA, RESEARCH AND WRITING AWARDS

The J.U.C. Media, Research and Writing Awards (and a potential SCHOLARSHIP with the same title) project has been established in memory of John Unver Culkin, the son of the founder of The Light Millennium Organization, and was initially introduced publicly in New York City on January 29, 2020.

[Lightmillennium.Org] The J.U.C. Media, Research and Writing Awards (and a potential SCHOLARSHIP (with the same title) project has been established in memory of John Unver Culkin, the son of the founder of The Light Millennium Organization, and was initially introduced publicly in New York City on January 29, 2020.

Bircan Ünver, the mother of J.U.C., described how this project came to life:

“I fully believed in my son’s untapped rich potential and intellect. I fully believed that he would eventually find a way to activate that potential and contribute to his and society’s wellbeing...

[...]

He gave so much importance to being intelligent at all times. Since he was 17, J.U.C. focused on these IQ tests he had invented and designed himself, which he shared with me from time to time with great excitement.

[...]

Unfortunately, J.U.C. (*‘Canım’*) is no longer with us in person and that is the harsh reality. With this in mind, my whole attempt is to transform my love for him along with my deep sorrow and pain into a constructive path as if he is still with us, and as if he will see this project named after him to inspire many children/youth.

[...]

It is now my hope to be able to carry out and touch those children’s lives in positive, constructive, and inspirational ways through The Light Millennium, Inc. – A Charitable Global Human Advancement Organization.

[...]

As the saying goes: **“While one hope dies, thousands may be reborn.”**

This has been the focal point of this project. Yet due to the COVID-19 Pandemic, the Organization had to postpone **its outreach efforts towards obtaining submissions for the project.**
